The Hilliard Civic Association will host its signature event, the Old Hilliardfest, from 10 a.m. to 7 p.m. on Saturday, Sept 13. The annual street fair has plenty of kid-friendly entertainment. In addition to carnival rides and games, the event features an art fair with a craft area for kids, music and a car show.

Every year locals are encouraged to show off their musical talents on the festival's community stage. There also are two stages of professional performers. Admission is free. The event takes place in downtown Hilliard.

For more information, visit [oldhilliardfest.org](http://oldhilliardfest.org).
